

thank you for your interest in cobidesign services!

here's how it works....

We will come to your home for a 2 hour in-home consultation.

As you've read, no project is too large or small for us to discuss and help you with recommendations and suggestions.

To make the best use of the allotted time we suggest you prepare a list of questions you'd like to have answered during the meeting. We will also send you a Design Profile questionnaire ahead of time to help us quickly assess your personal style so that our ideas are in keeping with your taste – it is your home after all!

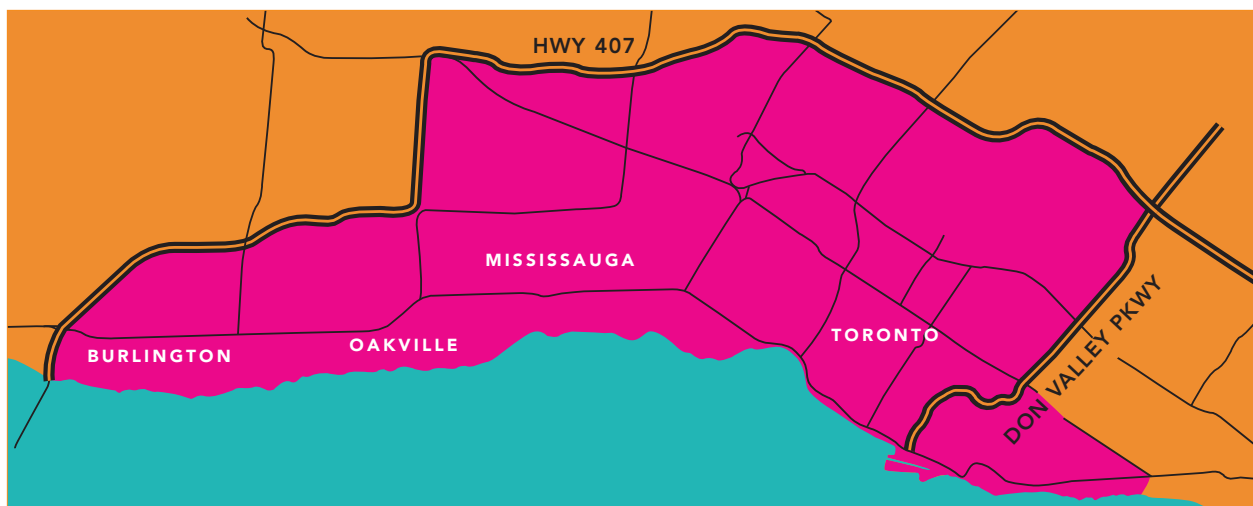

Our fees for consulting are as follows:

To hire Cobi Ladner, \$650 for a two hour consultation

To hire a member of Cobi's fully trained team, \$550 for a two hour consultation

Fees are subject to GST and will be paid on-site with cash or cheque.

A fee for travel will be negotiated if outside of the area shown below:

Larger scale projects and follow up work can be discussed at the time of consultation and will be considered on a case by case basis.
